Title: Method and Apparatus for the Furnishing
of Benefits Information and Benefits

Thousand Oaks, CA 2003 Sept 25

Amendment Supplement

Assistant Commissioner for Patents
Washington, District of Columbia

Sir: Due to an unintentional oversight, amended claim 138 on page four of the 2003 Sept 23 Amendment shows the original verbiage instead of the intended amendment; *though it is correctly amended in the Appendix*. Here is the correct, amended claim 138:

b1

138. The method of claim 87, further comprising the step, without leaving said system, of connecting said entity with at least one of said plurality of benefit providers via said system; and comprising the step of said entity interacting with said benefit providers via said system; and comprising the step of said benefit providers offering said benefits to said entity via said system; and comprising the step of completing application forms, when applicable, by said entity via said system; and comprising the step of transmitting said benefit approval for said entity by said benefit providers via said system; and comprising the step of receiving said benefits by said entity via system

Technical changes made: Claim 138 is now definite and particularly points out and distinctly claims the subject matter which applicant regards as the invention.

Thank you,

Steve Morsa
